

DESCRIPTION

Decorative LED luminary with direct lighting for suspending with a high-performance opal diffuser. Body made of high quality extrusion aluminum, oven-lacquered and textured finishes. Accessories included.

EFFECTIVE LIGHTING INFORMATION

Lighting flux:	8321 lm
LED efficiency:	79,2 lm/w
Consumption:	105 W
Openning angle:	107,00

LED FEATURES

Colour temperature:	4000K
LED efficiency:	>160 lm/w @TA=25°C
MacAdam Elipse:	3
Lifetime:	50.000H @TA=25°
Lighting flux maintenance:	L80
LED deterioration:	B10
CRI:	80

FEATURES OF THE LUMINARY

Diffuser:	OPAL
Type of luminary:	IND
Colour:	NG
Electronic equipment:	TRIDONIC
Installation:	SUSPENDIDA
Waterlightness:	IP40
Mechanical resistor:	IK04
Weight:	8,40
Guarantee	5 years

ELECTRICAL INFORMATION

Voltage/Frequency:	220-240 v / 50 hz
Regulation:	NO
Isolation Type:	Class 1
